

Objective

A Passionate and motivated Student of Artificial Intelligence and Data Science student seeking Opportunities to apply analytical, programming and problem-solving skills in real world applications with a strong interest in Machine learning and Data Analytics.

Area of Interest

Data Science & Analytics (Data Visualization, Machine Learning, Data analytics)

Education

Bachelor of Technology in Artificial Intelligence and Data Science,

Dr. Mahalingam College of Engineering and Technology, University, Pollachi.

March, 2027 | 7.8 CGPA

HSC | Government higher secondary school Kanjampatti

April, 2023 | 74%

SSLC | Government higher secondary school Kanjampatti.

March, 2020 | PASS

Skills

Technical Skills

- **Programming Languages:** Java, C, C++.
- **Tools & Technologies:** Power BI, Excel
- **Database Management:** MySQL
- **System Knowledge:** Fundamentals of Operating System (Processes, Memory ,I/O , System Calls)

Soft Skills

- **Communication:** Excellent verbal and written communication.
- **Time Management:** Consistently meets deadlines and balance multiple priority efficiently

Project

Hospital Management System – Appointment Request Feature

3 Nov 2024 to 25 Nov 2024

- Added an appointment booking feature to a Hospital Management System.
- Patients can choose doctors, book times, and get SMS or email updates.

Internship

Covai tech solutions

14 June 25 to 27 June 25

- Completed internship at Covai Tech Solution with hands-on experience in Machine Learning and OpenCV
- Trained models using labeled datasets, handled model saving and deployment for real-time predictions
- Integrated OpenCV with TensorFlow/Py Torch for deep learning applications

Certification

- Completed Online communication in digital age-NPTEL
- Completed entrepreneur course- NPTEL
- 2-Days workshop in Power-Bi.

Achievements

- Won second place in technical quiz.

Extracurricular Activities

- Member in cricket team.
